Instructions to Candidates

1. This question paper has **2 printed pages**.
2. Instruments and tracing paper are allowed, but you are advised to restrict your use of them as far as possible.
3. Write your Unique Identification Number (UID) and Index Number, in that order, in the top right-hand corner of the front surface of the paper.
4. Except where the question asks for a particular medium to be used, candidates are recommended to consider their choice of media and processes and are reminded that the following are permissible:

Coloured inks, poster and water-colour, stencil, wax resist, collage or printing from lino, potato, vegetable or fruit or the use of any material such as hardboard or string which will give an interesting texture.

Attempt *any one* of the following topics stating its number.

1. Design a three columned leaflet for a travel brochure. The brochure is advertising a seaside resort. The resort offers several activities such as cycling, sailing, snorkelling, etc. You may add other activities appropriate to the theme if you wish. Each panel should be 7" $\times$ 2½" and drawn as separate columns on the same drawing sheet. The name of the resort (as decided by you) should be present in each column.
2. You are throwing a birthday party for your eighteenth birthday. Design an invitation card for the occasion. The words '**YOU ARE INVITED**', and the number '18' should figure prominently on it. Work to the size of 9" $\times$ 7".
3. Design a repeat pattern for a kite. The motif should be inspired by the word 'flight'. Only the pattern must be made and not the kite.
4. Design a poster to encourage safe driving. Incorporate the words, '**LANE DRIVING IS SAFE DRIVING**', into your design.
5. Design a logo for an Aeromodelling club being formed in your school. Work to a diameter of 7" or an 8" $\times$ 8" square. The word '**FLY WITH ME**' should be incorporated in the design. Use three colours only.

Note: Cutting and pasting of extra materials is strictly prohibited. Sequins, thread or magazine images must not be used.
